CRITERIA

Excluded S06 Classes.

Eligible employees in listed Excluded S06 who are recommended by the appointing power as having met established performance standards shall be eligible to receive the Senior Peace Officer Pay Differential based on the above TOTAL state service and the conditions.

TOTAL state service shall be based on qualifying pay periods as follows:

- Qualifying pay periods as defined in California Department of Human Resources Rules 599.608 and 599.609.
- Qualifying pay periods immediately preceding and following a break(s) in service shall be cumulative.
- For purposes of determining eligibility, total state service shall count, as long as the employee is in the listed Excluded S06 class at the time eligibility for the pay differential is approved.
- The above percentages are noncumulative; i.e., an Excluded S06 employee who has been in state service for 20 years is eligible for a pay differential of 4 percent above his/her base salary, not the cumulative total of years 17, 18, 19, and 20 (e.g., 11 percent).
- The pay differential shall not be part of the employee's base salary for the purpose of computing Merit Salary Adjustments.
- Part-time employees shall receive a pro-rata share of the monthly differential based on their time base. (This does not apply to additional positions.)
- Intermittent employees shall receive a pro-rata share of the monthly differential based on the number of hours worked in the monthly pay period, excluding overtime. (This does not apply to additional positions.)
- Upon movement to another class:
- Within Eligible Excluded S06 Classes: The employee shall move from his/her base salary only. NOTE: The Senior Peace Officer Pay Differential is retained by the employee when moving from one eligible Excluded S06 classification to another eligible Excluded S06 classification.
- Outside Eligible Excluded S06 or Bargaining Unit 6 (R06) Classes: The employee shall move from his/her combined salary rate (base salary plus Senior Peace Officer Pay Differential), not to exceed the maximum of the new class, when computing the appointment salary rate. NOTE: The Senior Peace Officer Pay Differential shall be eliminated upon movement to a classification other than an eligible Excluded (S06) or eligible Bargaining Unit 6 (R06) classification.
- Between Eligible Excluded S06 and Eligible Bargaining Unit 6 (R06) Classes: The employee shall move from his/her base salary only. NOTE: The Senior Peace Officer Pay Differential is retained according to the criteria stated in the S06 or the R06 pay differential language WHICH MAY RESULT IN A CHANGE IN THE PERCENTAGE (%) AMOUNT ELIGIBILITY OR ELIMINATION OF THE PAY DIFFERENTIAL.

NOTE: This pay differential must be eliminated upon movement from an eligible R06 classification
